The General Data Protection Regulations 2018 requires that the information provided to people about how we process their personal data must be concise, transparent, intelligible and easily accessible, written in clear and plain language, and free of charge. As a local authority Tanworth in Arden Parish Council has a number of procedures in place to ensure that it complies with The General Data Protection Regulations 2018 when holding personal information.

When dealing with personal data, Tanworth in Arden Parish Council staff and Councillors must ensure that:

- **IT IS RELEVANT TO WHAT IT IS NEEDED FOR** Data will be monitored so that too much or too little is not kept; only data that is needed should be held.
- **IT IS ACCURATE AND KEPT UP TO DATE** Personal data should be accurate, if it is not it should be corrected.
- **IT IS NOT KEPT LONGER THAN IT IS NEEDED**
- **IT IS PROCESSED IN ACCORDANCE WITH THE RIGHTS OF INDIVIDUALS** This means that individuals must be informed, upon request, of all the information held about them.
- **IT IS KEPT SECURELY** This means that only staff and Councillors can access the data, it should be stored securely so it cannot be accessed by members of the public.

COLLECTING DATA

Tanworth in Arden Parish Council recognises its responsibility to be open with people when taking personal details from them. This means that staff must be honest about why they want a particular piece of information. If, for example, a member of the public gives their phone number to staff or a member of Tanworth in Arden Parish Council, this will only be used for the purpose it has been given and will not be disclosed to anyone else. Data may be collected via the Parish Council's website – the 'Contact Us' form . The website will include a privacy notice about how the data will be stored and used.

SENSITIVE DATA

The Act requires 'sensitive data' to be treated differently. Categories of sensitive data includes racial or ethnic origins, political opinions, religious beliefs, health issues. The Parish Council does not collect such data. Where the Council carries out village wide surveys, such as in the Neighbourhood Development Plan (NDP), the responses are anonymous and questions are not generally asked on a topic that is classified as sensitive.

STORING AND ACCESSING DATA

Tanworth in Arden Parish Council may hold information about individuals such as their addresses and telephone numbers. These are kept in a secure location at the Parish Council's office and are not available for the public to access. All data stored on a computer is password protected. Once data is not needed anymore, if it is out of date or has served its use, it will be shredded or deleted from the computer. The Parish Council is aware that people have the right to access any information that is held about them. DISCLOSURE OF INFORMATION

If an elected member of the council, for example a councillor needs to access information to help carry out their duties, this is acceptable. They are only able to access as much information as necessary and it should only be used for that specific purpose. If for instance someone has made a complaint, a councillor may access an address and telephone number of the person who has made the complaint so they can help with the enquiry. They can only do this providing they represent the area that the subject lives in. However, before they access any sensitive information about a person, they would need consent to do this from

the Parish Clerk. Data should never be used for political reasons unless the data subjects have consented.

SUBJECT ACCESS REQUESTS

Any individual whose data is held by the council may make what is called a 'subject access request', i.e. a request to see what data is actually held about them.
